↑ THUMBS UP

(This is my dividing line between thumbs-up and thumbs-down. It represents my best analysis regarding whether an intelligent, fairly discerning adult audience should see a film (keeping in mind that adults should learn to embrace their inner child from time to time). But, admittedly, film is immensely personal, as is all art. So, based upon your own tastes, age and life experiences, you might want to give a 2 ¼ or even a 2-star film a try. Conversely, films that I've given 2 ½ or 2 ¾ stars to might not work for you.)
